

This page contains a download to install the driver for the Microsoft 2.4 GHz transceiver version 7.0 on supported models (Inspiron 5548) that have a supported transceiver driver installed. This does not include other models as Microsoft does not provide a driver for other models and OS. Follow these steps to install the driver: Click Start On desktop. In the right pane, click My Computer. In the left pane, right-click Computer and select Properties. In the left pane, click on Device Manager. In the right pane, click on Network adapters. In the Network Adapters window, right-click Microsoft 2.4GHz adapter version 7.0 .
